Medical Telehealth Program

We are committed to providing the best medical care for our membership. During this difficult time, which includes staying home and social distancing, the III-A has created a no cost telehealth program for our membership.

Pocatello Wellness Clinic – Dustin Reno, NP, Phone: (208) 203-0783

Wellness Associates – Velma Seabolt, NP, Phone: (208) 271-4460

**You may call either Provider. Please leave a message if you receive the answering service and you will receive a call back within 2 hours.*

Hours: 24 hours, 7 days a week

Cost: None

The providers will take calls for most medical questions or concerns - and can order prescriptions (non-DEA controlled substances or therapeutic drugs).

If calling regarding COVID-19, the Provider or staff will ask several questions to determine if COVID-19 testing should be administered and will order the appropriate test if deemed necessary.

****In case of an emergency, call 911 or go to the nearest Emergency Department****
